Dear 2020 LCHS Senior,

Congratulations on an achievement that you will remember for the rest of your life. High school graduation is an accomplishment that should be celebrated and recognized for each individual. We know that this is a unique year and that this graduating class has had a year unlike any other. We are committed to providing each member of the graduating class of 2020 with that celebration and recognition; however, this year the ceremony will look a little different due to the unique circumstances we face. The faculty and staff at Lewis County High School, in conjunction with the Lewis County Board of Education, will be offering graduating seniors the choice of 3 options for graduation. You will be asked to select an option that you feel most comfortable with. Once you have selected your choice and returned a copy of this letter to me, the school will begin finalizing the format and details for each ceremony.

Seniors please print your name by the option you select

Option 1. _____

I **do not want** to participate in a graduation ceremony of any kind and would rather pick my diploma up at the high school on one of these dates. If this option is chosen, please call the school prior to coming to insure that I am in the office.

Option 2. _____

I want to have a graduation ceremony in the auditorium with the principal, superintendent, and 8 family members present only. Date and times to be determined with no overlap between graduates.

Option 3. _____

I want to participate in a full class graduation ceremony on the football field with classmates and 2 tickets provided by the school that I will distribute. The ceremony will be on Thursday, June 25 at 8:00 pm on the high school football field. Alternate rain out dates will be Friday, June 26 or Saturday, June 27 at 8:00 pm on the high school football field. Specific guidelines will be created and shared, based on the number of participants.

Once you have selected an option, please scan or take a picture of this letter with your circled choice and email to me by June 8. Upon receiving your diploma, you are considered a graduate of Lewis County High School and cannot participate in another graduation ceremony at LCHS.

Please share this information with your family members as you make your decision. Thank You.
